Action For Refugees In Lewisham

AFRIL relies on volunteers and donations to keep improving the lives of vulnerable people. Come in and get involved...

AFRIL helps an average of 120 people in the local area each week. We offer free advice on; housing, benefits, immigration, employment, health and education.

The Rainbow Club is a Saturday school for children age 4-11 who have refugee or asylum seeker status. We help kids to learn English, Maths, Music, Art and more.

We offer E.S.O.L (English for Speakers of Other Languages) classes where parents can improve their language skills and meet other people. Parents are welcome to bring their children to the creche.

“Giving my time to AFRIL has turned out to be so rewarding as I know that every penny we raise during events is spent entirely on our services to the local community. I’ve also met some incredible, committed and selfless people who also want to try to make the world a bit brighter!”
